(2) All such meetings or events which are the first meeting or event in the delegate selection process shall be scheduled at times and dates which are uniform throughout the state, except where it is established by the state party and approved by the DNC Rules and Bylaws Committee that such uniform times and dates would significantly reduce participation in the delegate selection process.

(3) The times, dates, places, and rules for the conduct of all caucuses, conventions, meetings and other events involved in the delegate selection process shall be effectively publicized by the Party organization, official, candidate or member calling the same.

(4) Concise statements in advance of all meetings and events concerning the relationship between the business to be conducted and the delegate selection process shall be effectively publicized

2008 Ohio Delegate Selection Plan

by the Party organization, official, candidate or member calling the same.

(5) No person shall participate in more than one meeting which is the first meeting in the delegate selection process.

2008 Ohio Delegate Selection Plan

7. Fair Reflection of Presidential Preference

a. Presidential Primary - Proportional Representation Plan

The Ohio presidential primary election is a "binding" primary. Accordingly, delegate and alternate positions shall be allocated so as to fairly reflect the expressed presidential preference of the primary voters in each district. The National Convention delegates and alternates selected at the district level shall be allocated in proportion to the percentage of the primary vote won in that district by each preference, except that preferences falling below a 15% threshold shall not be awarded any delegates or alternates.

The following method shall be used in allocating delegates by proportional representation:

- (1) Calculate to three decimals the percentage of vote that each presidential preference received.
- (2) Identify those preferences who met the 15% threshold and total their sums. This will be the new base vote. Then recalculate to three decimals the percentage of the vote that each presidential preference received against the new base vote.
- (3) Multiply the percentage for each presidential preference by the number of delegates to be awarded in the congressional district. Calculate the figure to three decimals.
- (4) Each presidential preference shall be entitled to the whole number of delegates assigned in (3).
- (5) Any remaining delegates are awarded in the order of the highest fractional remainders for the final tally.

b. Within a district, if no presidential preference reaches a 15% threshold, the threshold shall be the percentage of the vote received in that district by the front-runner minus 10%.

c. If a presidential candidate has certified at least one candidate for delegate in a congressional district or has qualified through the filing of a statewide petition and receives enough votes to qualify for more delegates than the number of certified candidates, than a special post-primary caucus shall be held in the congressional district to select these delegates or alternates.

2008 Ohio Delegate Selection Plan

8. Equal Division of District-Level Delegates and Alternates

a. In order to ensure the district-level delegates are equally divided between men and women, delegate positions within each district will be designated by presidential preference beginning with the highest vote-getting presidential preference. The assignment of delegate positions, alternating by sex as mathematically practicable, will continue with the next highest vote-getting preferences in descending order until the gender of each position has been assigned.

The gender of the first delegate assigned in each congressional district shall be as indicated on the chart of delegates and alternates.

b. After the delegates are selected, the alternates will be awarded using the same process described above.

9. Certification of Delegates and Alternates

The State Chair shall certify in writing to the Secretary of the Democratic National Committee the election of the state's district level delegates and alternates to the Democratic National Convention within three (3) days after their election is certified by the Secretary of State.

The time frame for certification of election results is as follows:

March 4 Primary Election Day

March 14 Armed Service Ballot Deadline

March 15 Canvass of Election Returns Begins

The canvass does not have to begin until March 19. Canvass continues until completed, there is no deadline. Normally all canvassing is completed within ten days.

April 5 (est.) Secretary of State Certifies Results

10. Special Post-Primary Caucus

If a presidential candidate has qualified to receive delegates and alternates but has failed to slate a sufficient number of delegate and alternate candidates, then additional delegates and alternates for that preference will be selected in a special post-primary caucus according to the following procedure:

a. An individual may qualify as a candidate for delegate or alternate by filing a "Declaration of Candidacy and Consent" form including a

2008 Ohio Delegate Selection Plan

signed pledge of support with the Ohio Democratic Party by 5:00 PM on April 8, 2008.

d. Each Caucus Coordinator shall select a site for their caucus and report this location to the State Chair no later than April 11, 2008.

e. Each participating presidential candidate or their authorized representative shall appoint a Caucus Chair for each special post-primary caucus no later than April 14, 2008 after consultation with the State Chair.

f. Each participating presidential candidate or their authorized representative must file with the State Chair by April 14, 2008, a list of all delegate or alternate candidates he or she has approved, provided that approval be given to at least three (3) names for every position to which the presidential candidate is entitled.

Failure to respond will be deemed approval of all delegate and alternate candidates submitted to the presidential candidate.

g. All special post-primary caucuses will be held on April 17, 2008 and shall follow the same procedure and rules outlined for the pre-primary caucus outlined in C (6) (f) & (g).

h. The Caucus Chairs must certify the outcome of their caucus to the State Chair no later than 5:00 PM on April 18, 2008.

Individuals shall be eligible for the pledged Party Leader and Elected Official delegate positions according to the following priority: statewide elected officials; big city mayors; state legislative leaders, state legislators, and other state, county, and local elected officials and party leaders.

b. An individual can qualify as a candidate for a position as a pledged PLEO delegate by properly filing the Ohio Democratic Party "Declaration of Candidacy and Consent" form including a signed pledge of support with the Ohio Democratic Party by May 3, 2008.

3. Presidential Candidate Right of Approval

a. The State Chair shall convey to the presidential candidate, or that candidate's authorized representative, not later than May 5, 2008, a list of all persons who have filed for a party and elected official delegate pledged to that presidential candidate.

b. Each presidential candidate, or that candidate's authorized representative must file with the State Chair by May 9, 2008 a list of all such candidates he or she has approved, as long as approval is given to at least two (2) names for every position to which the presidential candidate is entitled.

c. Failure to respond will be deemed approval of all delegate candidates submitted to the presidential candidate unless the presidential candidate or the authorized representative signifies otherwise in writing to the State Chair by May 9, 2008.

2008 Ohio Delegate Selection Plan

4. Selection of Pledged Party Leader and Elected Official Delegates

a. The pledged PLEO slots shall be allocated among presidential preferences on the same basis as the at-large delegates.

b. Selection of the pledged PLEO delegates will occur on May 10, 2008 at the State Executive Committee meeting after the election of the unpledged add-on delegates and prior to the selection of at-large delegates and alternates.

c. These delegates will be selected by the State Executive Committee (membership composition described in Section VIII.) using the following procedure:

(1) The State Chair will announce the results of the March 4, 2008 primary and indicate the number of PLEO delegates each Presidential candidate is entitled to.

(2) The State Chair will announce the candidates pledged to each presidential candidate and call for a separate vote for each set of delegates.

(3) The vote shall be taken by hand vote or by signed ballot.

d. Alternates are not selected at the Party Leader and Elected Official level. These alternates are combined with the at-large alternates and selected as one unit.

5. Certification of Delegates

The State Chair shall certify in writing to the Secretary of the Democratic National Committee the election of the state's pledged Party Leader and Elected Official delegates to the Democratic National Convention within three (3) days after their election.

F. At-Large Delegates and Alternates

1. Number of Delegates and Alternates

The state of Ohio is allotted 31 at-large delegates and 8 at-large alternates.

2. At-Large Delegate and Alternate Filing Requirements

a. Persons desiring to seek at-large delegate or alternate positions may file a statement of candidacy designating their presidential preference and a signed pledge of support for the presidential candidates with the

2008 Ohio Delegate Selection Plan

Ohio Democratic Party by May 3, 2008. This form shall allow persons to file for all types of delegates and alternates at the same time.

b. The statement of candidacy for at-large delegates and for at-large alternates will be the same. After the at-large delegates are elected by the State Executive Committee, those persons not chosen will then be considered candidates for at-large alternate positions unless they specify otherwise when filing.

3. Presidential Candidate Right of Approval

a. The State Chair shall convey to the presidential candidate, or that candidate's authorized representative, not later than May 5, 2008, a list of all persons who have filed for delegate or alternate pledged to that presidential candidate.

b. Each presidential candidate, or that candidate's authorized representative must then file with the State Chair, following the selection of Party Leader and Elected Officials, a list of all such candidates he or she has approved, provided that at a minimum, two (2) names remain for every national convention delegate or alternate position to which the presidential candidate is entitled.

c. Failure to respond will be deemed approval of all at-large delegate candidates submitted to the presidential candidate unless the presidential candidate or the authorized representative signifies otherwise in writing to the State Chair prior to their selection.

4. Selection of At-Large Delegates and Alternates

a. At-large delegate and alternate positions shall be allocated among presidential preferences according to the state-wide primary vote.

b. Preferences which have not attained a 15% threshold on a state-wide basis shall not be entitled to any at-large delegates.

c. If no presidential preference reaches a 15% threshold, the threshold shall be the percentage of the statewide vote received by the front-runner, minus 10%.

d. The selection of the at-large delegates and alternates will occur on May 10, 2008 after all unpledged delegates and pledged Party Leader and Elected Official delegates have been selected.

e. These delegates and alternates will be selected by the State Executive Committee (membership composition described in Section VIII.)

2008 Ohio Delegate Selection Plan

f. In the selection of the at-large delegation, priority of consideration shall be given to African Americans, Hispanics, Native Americans, Asian/Pacific Americans, lesbians and gay men, and women. The election of at-large delegates and alternates shall be used, if necessary, to achieve the equal division of positions between men and women, and may be used to achieve the representation goals established in the Affirmative Action section of this Plan. Delegates and alternates are to be considered separate groups for this purpose.

In order to continue the Democratic Party's ongoing efforts to include groups historically under-represented in the Democratic Party's affairs, priority of consideration should be given to other groups by virtue of race/ethnicity, age, sexual orientation or disability.

g. If a presidential candidate is no longer a candidate at the time of selection of the at-large delegates, then those at-large slots that would have been allocated to the candidate will be proportionally divided among the remaining preferences entitled to an allocation.

h. If a given presidential preference is entitled to one or more delegate positions but would not otherwise be entitled to an alternate position, that preference shall be allotted one at-large alternate position.

i. The following procedure shall be used for the selection of at-large delegates and alternates:

(1) The State Chair will announce the results of the March 2, 2004 primary and indicate the number of at-large delegates each Presidential candidate is entitled to.

(2) The State Chair will announce the candidates pledged to each presidential candidate and call for a separate vote for each set of delegates and alternates.

(3) The vote shall be taken by hand vote or by signed ballot.

5. Certification of Delegates and Alternates

The State Chair shall certify in writing to the Secretary of the Democratic National Committee the election of the state's at-large delegates and alternates to the Democratic National Convention within three (3) days after their election.

G. Replacement of Delegates and Alternates

1. Replacement of Pledged Delegates and Alternates

2008 Ohio Delegate Selection Plan

A pledged delegate or alternate may be replaced according to the following guidelines.

a. Permanent Replacement of a Delegate

(1) A permanent replacement occurs when a delegate resigns or dies prior to or during the national convention and the alternate replaces the delegate for the remainder of the National Convention.

(2) Any alternate permanently replacing a delegate shall be of the same presidential preference and sex of the delegate he/she replaces, and to the extent possible shall be from the same political subdivision within the state as the delegate.

(a) In the case where the presidential candidate has only one alternate, that alternate shall become the certified delegate.

(b) If a presidential candidate has only one alternate, and that alternate permanently replaces a delegate of the opposite sex, thereby causing the delegation to no longer be equally divided, the delegation shall not be considered in violation of rule 6. C. In such a case, notwithstanding Rule 17 D (2), the presidential candidate or their authorized representative shall, at the time of a subsequent permanent replacement, replace a delegate with a person of the opposite sex, in order to return the delegation to equal division of men and women.

(c) If the delegate is pledged to a presidential candidate, the presidential candidate or their authorized representative will select the alternate who replaces the delegate subject to the approval of the delegation members pledged to the presidential candidate.

b. Temporary Replacement of a Delegate

(1) A temporary replacement occurs when a delegate is to be absent for a limited period of time during the convention and an alternate temporarily acts in the delegate's place.

(2) Any alternate who temporarily replaces a delegate must be of the same presidential preference as the delegate he/she replaces, and to the extent possible shall be of the same sex and from the same political subdivision within the state as the delegate.

2008 Ohio Delegate Selection Plan

(3) The presidential candidate or their authorized representative shall choose the alternate who temporarily replaces the pledged delegate. The delegate is subject to the approval of the delegation members pledged to the presidential candidate.

c. Certification of Replacements

(1) Any alternate who permanently replaces a delegate shall be certified in writing to the Secretary of the DNC by the State Chair.

(2) Permanent replacement of a delegate (as specified above) by an alternate and replacement of a vacant alternate position shall be certified in writing by the State Chair to the Secretary of the Democratic National Committee within three (3) days after the replacement is selected.

(3) Certification of permanent replacements will be accepted by the Secretary up to 48 hours before the first official session of the Convention is scheduled to convene.

(4) In the case where a pledged delegate is permanently replaced after 48 hours before the time the first session is scheduled to convene or, in the case where a pledged delegate is not on the floor of the Convention Hall at the time a roll call vote is taken, an alternate may be designated (as specified above) to cast the delegate's vote. In such case, the Delegation Chair shall indicate the name of the alternate casting the respective delegate's vote on the delegation tally sheet.

d. A vacant alternate position shall be filled by the delegation. The replacement shall be of the same presidential preference, of the same sex, and to the extent possible, from the same political subdivision as the alternate being replaced.

2. Replacement of Unpledged Delegates

Unpledged delegates shall not be entitled to a replacement, nor shall the state be entitled to a replacement, except under the following conditions:

a. Members of Congress shall not be entitled to name a replacement. In the event of changes or vacancies in the state's Congressional Delegation, following the official confirmation and prior to the commencement of the National Convention, the DNC Secretary shall recognize only such changes as have been officially recognized by the Democratic Caucus of the U S House of Representatives or the Democratic Conference of the U S Senate.

2008 Ohio Delegate Selection Plan

b. Members of the Democratic National Committee and unpledged add-on delegates shall not be entitled to a replacement, nor shall the state be entitled to a replacement, except in the case of death of such delegates. In the case where the state's DNC membership changes following the DNC Secretary's official confirmation, but prior to the commencement of the 2008 Democratic National Convention, acknowledgment by the Secretary of the new DNC member certification shall constitute verification of the corresponding change of unpledged delegates.

c. In no case may an alternate cast a vote for an unpledged delegate.

III. Selection of Standing Committee Members

A. Introduction

1. Number of Members

Ohio has been allocated 7 members on each of the three standing committees for the 2008 Democratic National Convention (Credentials, Platform and Rules), for a total of 21 members.

2. Membership Requirements

Members of the Convention Standing Committees need not be delegates or alternates to the 2008 Democratic National Convention.

B. Selection of Members

1. Selection Meeting

a. The members of the standing committee shall be elected by a quorum of Ohio's National Convention Delegates, at a meeting to be held on May 31, 2008.

b. A quorum shall consist of 40% of Ohio's delegates to the National Convention.

c. All members of the delegation shall receive timely notice of the time, date and place of the meeting to select the standing committee members.

2. Allocation of Members

a. The members of the standing committees allocated to Ohio shall proportionately represent the presidential preference of all candidates receiving the threshold percentage used in Ohio's delegation to calculate the at-large apportionment pursuant to Rule 12 E of the Delegate Selection Rules.

2008 Ohio Delegate Selection Plan

b. The presidential preference of each candidate receiving the applicable percentage or more within the delegation shall be multiplied by the total number of standing committee positions allocated to Ohio. If the result of such multiplication does not equal 0.455 or above, the presidential preference in question is not entitled to representation on the standing committee. If the result of such multiplication is 0.455 but less than 1.455, the presidential preference is entitled to one (1) position. Those preferences securing more than 1.455 but less than 2.455 are entitled to two (2) positions, etc.

c. Where the application of this formula results in the total allocation exceeding the total number of committee positions, the presidential candidate whose original figure of representation is farthest from its eventual rounded-off total shall be denied that one (1) additional position. Where the application of this formula results in the total allocation falling short of the total number of committee positions, the presidential candidate whose original figure of representation is closest to the next rounding level shall be allotted an additional committee position

d. Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of the three standing committees. When such allocation results in an unequal distribution of standing committee positions by candidate preference, a drawing shall be conducted to distribute the additional positions.

3. Presidential Candidate Right of Approval

a. Each presidential candidate, or that candidate's authorized representative shall be given adequate notice of the date, time, and location of the meeting of the state's delegation authorized to elect standing committee members.

b. Each presidential candidate, or that candidate's authorized representative, must submit to the State Chair, by May 12, 2008, a minimum of one (1) name for each slot awarded to that candidate for members of each committee. The delegation shall select the standing committee members submitted by the presidential candidates. Presidential candidates shall not be required to submit the name of more than one person for each slot awarded to such candidate for members of standing committees.

4. Selection Procedure to Achieve Equal Division

a. Presidential candidates shall use their best efforts to ensure that their respective delegation of standing committee members shall achieve

2008 Ohio Delegate Selection Plan

Ohio's affirmative action goals and that their respective members are equally divided between men and women.

b. Each position on each standing committee shall be assigned by gender. For example, the first position on the Credentials Committee of the presidential candidate with the most standing committee positions shall be designated for a female, the second position for a male, and the remaining positions shall be designated in like fashion, alternating between males and females. Positions for presidential candidates on each committee shall be ranked according to the total number of standing positions allocated to each candidate. After positions on the Credential Committee are designated by sex, the designation shall continue with the Platform Committee, then the Rules Committee.

(1) A separate election shall be conducted for membership on each standing committee.

(2) The membership of the standing committees shall be as equally divided as possible under the state allocation; if the number is even, the membership shall be equally divided between men and women; if the number is odd, the variance between men and women may not exceed one (1), and the advantaged gender must not remain constant for the three standing committees.

(3) The positions allocated to each presidential candidate on each committee shall be voted on separately, and the winners shall be the highest vote getter(s) of the appropriate sex.

5. Certification and Substitution

a. The State Chair shall certify the standing committee members in writing to the Secretary of the Democratic National Committee within three (3) days after their selection.

b. No substitutions will be permitted in the case of standing committee members, except in the case of resignation or death. Substitutions must be made in accordance with the rules and the election procedures specified in this section, and must be certified in writing to the Secretary of the Democratic National Committee within three (3) days after the substitute member is selected.

Duly registered or publicly declared Democrats will not be required to undertake a further enrollment as a condition of participation. Ohio law sets forth provisions for challenging a qualified elector's right to vote in a party primary election. Such a challenge may be asserted against one who is not affiliated with or is not a member of the party, according to Ohio Revised Code, Section 3513.15.

B. At no stage of Ohio's delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee as a condition for participating. Voluntary

- M. Any individual or group of Democrats may sponsor or endorse a slate of candidates for convention delegates. But no slate may, by virtue of such endorsement, receive a preferential place on a delegate selection ballot or be publicly identified on the ballot as the official Democratic Party organization slate, and all slates must meet identical qualifying requirements for appearing on a ballot at all levels of the delegate selection process.
- N. All steps in the delegate selection process, including the filing of presidential candidates, must take place within the calendar year of the Democratic National Convention, except with respect to the implementation of the Affirmative Action Plan.

P. Q. All delegate and alternate candidates must be identified as to presidential preference at all levels which determine presidential preference.

VI. Affirmative Action Plan

A. Introduction

1. All public meetings at all levels of the Democratic Party in Ohio should be open to all members of the Democratic Party regardless of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, economic status, or physical disability (hereinafter collectively referred to as "status").

2. In order that the Democratic Party at all levels be an open Party which includes rather than excludes people from participation, a program of effective affirmative action is hereby adopted in Ohio.

3. Discrimination on the basis of "status" in the conduct of Democratic Party affairs is prohibited.

4. In order to achieve full participation by groups that are significantly under-represented in our Party's affairs, Ohio has developed Party outreach programs.

a. Such programs include recruitment, education and training, in order to achieve full participation by such groups in the delegate selection process and at all levels of Party affairs for 2008.

b. As part of these programs, outreach will be directed at all Democratic constituencies, including groups such as ethnics, youth, persons over 65 years of age, lesbians and gay men, workers, persons with a high school education or less, persons with physical disabilities, and persons of low and moderate income.

5. In order to encourage full participation by all Democrats in the delegate selection process and in all Party affairs, the Ohio Democratic Party has adopted

2008 Ohio Delegate Selection Plan

and will implement affirmative action programs with specific goals and timetables for African Americans, Hispanics, Native Americans, Asian/Pacific Americans, lesbians and gay men, and women.

a. The goal of the affirmative action programs shall be to encourage participation in the delegate selection process and in Party organizations at all levels by the aforementioned groups as indicated by their presence in the Democratic electorate.

b. This goal shall not be accomplished either directly or indirectly by the Party's imposition of mandatory quotas at any level of the delegate selection process or in any other Party affairs.

6. Presidential candidates shall assist the Ohio Democratic Party in meeting the demographic representation goals reflected in the Affirmative Action Plan.

a. Each presidential candidate must submit a written statement to the State Chair by November 23, 2007 which indicates the specific steps he or she will take to encourage full participation in Ohio's delegate selection process, including, but not limited to, procedures by which persons may file as candidates for delegate or alternate.

b. Each presidential candidate must submit demographic information with respect to all candidates for delegate and alternate pledged to them. Such information shall be submitted in conjunction with the list of names approved for consideration as delegate and alternate candidates pledged to the presidential candidate.

7. Presidential candidates shall use their best effort to ensure that their respective delegations shall achieve the affirmative action goals reflected in the Affirmative Action Plan and that the respective delegations of each presidential candidate shall be equally divided between men and women. Furthermore, presidential candidates shall use their best efforts at the district-level to approve delegate and alternate candidates who meet applicable equal division and affirmative action goals and equal division for their respective delegations.

8. Implementation of the Affirmative Action Plan shall begin on September 15, 2007, and will continue through the end of the process.

B. Organizational Structure - Affirmative Action Committee

1. An Affirmative Action Committee shall be appointed by the State Chair on March 1, 2007.

2. The Committee shall consist of members representing the Democratic constituency groups set forth in the introduction to the Affirmative Action Plan.

3. The Affirmative Action Committee shall be responsible for:

2008 Ohio Delegate Selection Plan

- a. Reviewing the proposed Delegate Selection and Affirmative Action Plans and making recommendations to the State Chair.

 - (3) Receive requests for financial assistance from delegates and alternates otherwise unable to participate in the National Convention.
 - (4) Prepare specific information for all delegates and alternates as to how and where to seek financial assistance to defray expenses to the Convention. This information may include lists of groups or organizations willing to help and fund-raising ideas; and
 - (5) Plan and conduct the fundraising events or solicitations necessary to supplement other efforts.
 - d. Ensuring, on behalf of the Ohio Democratic Party, that district lines used in the delegate selection process are not gerrymandered to discriminate against African Americans, Hispanics, Native Americans, Asian/Pacific Americans, lesbians and gay men, and women.
4. Financial and staff support for the Affirmative Action Committee shall be provided by the Ohio Democratic Party to the greatest extent feasible, including, but not limited to, the state party staff and volunteers and all reasonable costs incurred in carrying out this plan.

C. Implementation of the Plan

1. Publicity

- a. Special attention shall be directed at publicizing the delegate selection process in the state. Such publicity shall include information on eligibility to vote and how to become a candidate for delegate, the time

2008 Ohio Delegate Selection Plan

and location of each stage of the delegate selection process and where to get additional information. The Party organization, official, candidate, or member calling a meeting or scheduling an event, shall effectively publicize the role that such meeting or event plays in the selection of delegates and alternates to the Democratic National Convention.

b. Newspapers, radio and television will be utilized to inform the general public how, when and where to participate in the delegate selection process. Specifically, this information should provide details as to how to qualify to run as a delegate candidate. Special effort shall be directed to the major daily newspapers, radio and television stations by the State Chair, Affirmative Action Committee members and staff. Regular releases during the delegate selection process to all other media sources, weekly newspapers, and wire services should complete timely coverage.

c. A priority effort shall be directed at publicity in minority newspapers and radio stations, ethnic press, Native American, Asian/Pacific American, Spanish-speaking and other non-English press, radio stations, and publications, and women's organizations, student newspapers and any other special media in the state that is likely to reach the Democratic constituency groups set forth in the introduction of this Affirmative Action Plan. The State Party shall be responsible for the implementation of this publicity effort. For purposes of providing adequate notice of the delegate selection process, the times, dates, places and rules for the conduct of caucuses and state executive committee meetings shall be effectively publicized, bilingual where necessary, to encourage the participation of minority groups.

d. Not later than September 15, 2007, a press webpage shall be made and provided to each daily and weekly newspaper as well as to the electronic media. This press kit will include:

- (1) a summary of all pertinent rules related to the state's delegate selection process;
- (2) a map of delegate districts and how many delegates will be elected within each district;
- (3) a summary explaining the operation and importance of the 2008 Convention; and
- (4) materials designed to encourage participation by prospective delegate candidates.

2. Education

a. A virtual workshop shall take place at the Ohio Democratic Party's website beginning in October 2007 which will take and answer all

2008 Ohio Delegate Selection Plan

questions from any interested parties concerning the delegate selection process. Information on the delegate selection process, including this plan will be available for all interested parties to read and download. The Ohio Democratic Party's website is www.ohiodems.org.

b. A speakers bureau of volunteers from the Affirmative Action Committee comprised of individuals who are fully familiar with the process, will be organized to appear before groups as needed, to provide information concerning the process.

c. The state party will publish and make available at no cost: a clear and concise explanation of how Democratic voters can participate in the delegate selection process; an explanation of how, where and when persons can register to vote; and delegate district maps. As well, the State Party shall also make available copies of the State Party Rules, the Delegate Selection Plan (and its attachments), the Affirmative Action Plan, and relevant state statutes at no cost. Copies of documents related to the state's delegate selection process will be prepared and the Affirmative Action Committee will distribute them in the various delegate districts not later than September 15, 2007.

d. The state shall take all feasible steps to encourage persons to register and to vote as Democrats and will seek to ensure simple and easy registration procedures.

3. Representation Goals

a. The state party has determined the demographic composition of African Americans, Hispanics, Native Americans, Asian/Pacific Americans, and lesbians and gay men in the state's Democratic electorate. These constituency percentages shall be established as goals of representation in the state's convention delegation.

b. When selecting the at-large portion of the delegation, the demographic composition of the other delegates (district-level, pledged PLEO, and unpledged) shall be compared with the state party's goals in order to achieve an at-large selection process which helps to bring about a representative balance. Priority of consideration will be given to women, African Americans, Hispanics, Native Americans, Asian/Pacific Americans, and lesbians and gay men in the selection of the at-large delegation.

c. Use of the at-large delegation to achieve the affirmative action goals established by this Plan does not obviate the need for the state party to conduct outreach activities such as recruitment, education and training.

1. A challenge to the status of the Ohio Democratic Party as the body entitled to sponsor a delegation from Ohio shall be filed with the Rules and Bylaws Committee not later than thirty (30) calendar days prior to the initiation of the state's delegate selection process.
2. A challenge to the state's Delegate Selection Plan shall be filed with the Chair of the Ohio Democratic Party and the Co-Chairs of the Rules and Bylaws Committee within fifteen (15) calendar days after the adoption of the Plan by the State Party.
3. A challenge to a Plan must be brought in conformity with the Rules and the Regs., which should be consulted for a detailed explanation of challenge procedures.

C. Challenges to Implementation

1. A challenge may be brought alleging that a specific requirement of an approved Plan has not been properly implemented. Jurisdiction over all challenges initiated in a timely fashion shall reside with either the Rules and Bylaws Committee or the Credentials Committee of the National Convention (See Section VII.A. above). However, the Rules and Bylaws Committee may provide advice, assistance or interpretations of the Delegate Selection Rules at any stage of the delegate selection process.
2. An implementation challenge brought before the Rules and Bylaws Committee is initiated by filing a written challenge with the Ohio Democratic Party and with the Rules and Bylaws Committee not later than fifteen (15) days after the alleged violation occurred. The state party has twenty-one (21) days to render a decision. Within ten (10) days of the decision, any party to the challenge may appeal it to the Rules and Bylaws Committee. If in fact, the state party renders no decision, any party to the challenge may request the Rules and Bylaws Committee to process it. The request must be made within ten (10) days after the expiration of the above twenty-one (21) day period.
3. Performance under an approved Affirmative Action Plan and composition of the convention delegation shall be considered relevant evidence in the challenge to any state delegation. If the state party has adopted and implemented an approved affirmative action program, the state party shall not be subject to challenge based solely on delegate composition or primary results. The procedures are the same for challenges alleging failure to properly implement the Affirmative Action section of a Plan, except that such challenges must be filed not later than thirty (30) days prior to the initiation of the state's delegate selection process.
