

Title: Hydrogeologist
Req Number: mpi-00001741
Location: COL
SBU: Malcolm Pirnie, Inc.
Practice: Federal / Industrial / Environmental Restoration
Job Type: Full Time
Recruiter: Lyndell Williams
Grade: S1

Requirements:

Must have a B.S. in Geology, Hydrogeology, or Civil/Geological Engineering. A M.S. is a plus. 1-3 years experience preferred, will consider recent College Grads with relevant internship/co-op experience.

Job Summary:

Malcolm Pirnie is seeking a Hydrogeologist or Geological Engineer for the Columbus OH office to provide support on environmental and water resources projects related to groundwater monitoring/sampling, drilling oversight, soil sampling, hydrogeologic evaluations, groundwater modeling, and site remedial activities. This position will also be responsible for data compilation, evaluation, and report preparation. Experience in field techniques, knowledge of field equipment, and groundwater modeling software such as MODFLOW are a plus.
